

## DESIGN SURVEY: WHAT IS YOUR STYLE?

Please fill this for your complimentary consultation with Allison Mathern Interior Design.

## About You

About You	
What is your favorite flower?	Are there any family traditions, pieces of your past times, elements of your heritage, travel memories or photos you would like to have featured in your room?
What is your favorite article of clothing?	
If you could take a dream vacation, where would you go?	Is there another home you've lived in that you love? Why?
What song would be featured in the soundtrack of your house?	When you want to be comfortable, where do you go?
If you could be a character in a book or story, which would it be?	What is the most pleasant part of this house for you?
What is your favorite house featured in a television show or film?	

## Your Style on a Spectrum

Think of your style. Mark an X on the spectrum according to where your style falls. Then mark an O for where you want your style to be.

## Getting Started: Focus on One Room

Which room would you like to focus on?
What are the functions of this room?
What are the approximate dimensions?
What is an approximate timeframe and budget?
How many people need to be seated the room?
Describe your technology concerns like televisions or sound systems.
Describe your storage needs.
Are there existing furniture or accessory items you would like to keep in the room?

(Print additional copies for each room.)
